Item 1.01 Entry into a Material Definitive Agreement

As previously disclosed, on February 24, 2022, Delwinds Insurance Acquisition Corp., a Delaware corporation (“**Delwinds**”), entered into an Agreement and Plan of Merger (as may be amended or supplemented from time to time, the “**Merger Agreement**”), by and among Delwinds, FOXO Technologies Inc., a Delaware corporation (the “**Company**” or “**FOXO**”), DWIN Merger Sub Inc., a Delaware corporation and wholly owned subsidiary of Delwinds (“**Merger Sub**”) and DIAC Sponsor LLC, a Delaware limited liability company and Delwinds’ sponsor (the “**Sponsor**”), in its capacity as the representative of the stockholders of Delwinds (other than FOXO’s security holders) (the “**Purchaser Representative**”) from and after the closing (the “**Closing**”) of the transactions contemplated by the Merger Agreement (collectively, the “**Transaction**” or the “**Business Combination**”), pursuant to which Merger Sub will merge with and into FOXO, with FOXO as the surviving company in the merger and, after giving effect to such merger, continuing as a wholly-owned subsidiary of Delwinds.

On April 26, 2022, Delwinds, FOXO and the Purchaser Representative entered into an amendment (the “**Amendment**”) to the Merger Agreement (the Merger Agreement, together with the Amendment, the “**Amended Merger Agreement**”).

The Amendment amends the definition of “**2022 Bridge Financing End Date**” in the Merger Agreement, to provide an extension to the end date of the 2022 Bridge Financing by extending the end date to the “Outside Date,” as defined in the Merger Agreement.

The “Outside Date” is defined in the Section 7.1(a) of the Merger Agreement and is originally established as the five (5) month anniversary of the date of the Merger Agreement, or July 24, 2022, subject to extensions under the terms and conditions set forth in the Merger Agreement.

Other than as expressly modified pursuant to the Amendment, the Merger Agreement, which was previously filed as Exhibit 2.1 to the Current Report on Form 8-K filed by Delwinds with the Securities and Exchange Commission on March 2, 2022, remains in full force and effect as originally executed on February 24, 2022. The foregoing description of the Amendment does not purport to be complete and is subject to, and qualified in its entirety by the full text of the Amendment attached hereto as Exhibit 2.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

Additional Information and Where to Find It

Delwinds and FOXO have filed relevant materials with the Securities and Exchange Commission (the “**SEC**”), including a Form S-4 (the “**Registration Statement**”) that has been filed by Delwinds on April 8, 2022, which includes a prospectus with respect to Delwinds’ securities to be issued in connection with the Transaction, and a proxy statement of Delwinds (the “**Proxy Statement**”), to be used at the meeting of Delwinds’ stockholders to approve the proposed merger and related matters and a consent solicitation with respect to the solicitation of the consent of FOXO stockholders in connection with the Merger Agreement. INVESTORS AND SECURITY HOLDERS OF DELWINDS ARE URGED TO READ THE REGISTRATION STATEMENT, ANY AMENDMENTS THERETO AND OTHER RELEVANT DOCUMENTS THAT HAVE BEEN OR WILL BE FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT FOXO, DELWINDS AND THE BUSINESS COMBINATION. The Proxy Statement contained in the Registration Statement and other relevant materials for the Transaction will be mailed to stockholders of Delwinds as of a record date to be established for voting on the proposed business combination. Investors and security holders will also be able to obtain copies of the Registration Statement, including the Proxy Statement contained therein, and other documents containing important information about each of the companies once such documents are filed with the SEC, without charge, at the SEC’s web site at www.sec.gov.

Forward-Looking Statements

This report contains, and certain oral statements made by representatives of Delwinds and the Company and their respective affiliates, from time to time may contain, “forward-looking statements” within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. Delwinds’ and the Company’s actual results may differ from their expectations, estimates and projections and consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as “anticipate,” “believe,” “budget,” “continues,” “could,” “expect,” “estimate,” “forecast,” “future,” “intend,” “may,” “might,” “strategy,” “opportunity,” “plan,” “possible,” “potential,” “project,” “will,” “should,” “predicts,” “scales,” “representative of,” “valuation,” and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, Delwinds’ and the Company’s expectations with respect to future performance of the Company, anticipated financial impacts of the Transaction (including future revenue, pro forma enterprise value and cash balance), the anticipated addressable market for the Company, the satisfaction of the closing conditions to the Transaction, the future held by the respective management teams of Delwinds or the Company, the pre-money valuation of the Company (which is subject to certain inputs that may change prior to the Closing of the Transaction and is subject to adjustment after the Closing of the Transaction), the level of redemptions of Delwinds’ public stockholders and the timing of the Closing of the Transaction. These forward-looking statements involve significant risks and uncertainties that could cause actual results to differ materially from expected results. Most of these factors are outside the control of Delwinds and are difficult to predict. Factors that may cause such differences include, but are not limited to: (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement; (2) a default by one or more of the investors in the financing agreements on its commitment relating to the Transaction, and Delwinds’ failure to find replacement financing; (3) the inability to consummate the Transaction in a timely manner or at all, including due to failure to obtain approval of the stockholders of Delwinds or other conditions to the Closing in the Merger Agreement, which may adversely affect the price of Delwinds’ securities; (4) delays in obtaining or the inability to obtain any necessary regulatory approvals required to complete the Transaction; (5) the risk that the Transaction may not be completed by Delwinds’ business combination deadline and the potential failure to obtain an extension of the business combination deadline if sought by Delwinds; (6) the ability to maintain the listing of Delwinds’ securities on a national securities exchange; (7) the inability to obtain or maintain the listing of the combined company’s securities on the New York Stock Exchange following the Transaction; (8) the risk that the Transaction disrupts current plans and operations as a result of the announcement and consummation of the Transaction; (9) the ability to recognize the anticipated benefits of the Transaction and to achieve its commercialization and development plans, and identify and realize additional opportunities, which may be affected by, among other things, competition, the ability of the Company to grow and manage growth economically and hire and retain key employees; (10) costs related to the Transaction; (11) changes in applicable laws or regulations, and the Company’s ability to comply with such laws and regulations; (12) the effect of the COVID-19 pandemic on Delwinds or the Company and their ability to consummate the Transaction; (13) the outcome of any legal proceedings that may be instituted against the Company or against Delwinds related to the Merger Agreement or the Transaction; (14) the enforceability of the Company’s intellectual property, including its patents and the potential infringement on the intellectual property rights of others; (15) the risk of downturns in the highly competitive industry in which the Company operates; (16) the possibility that Delwinds or the Company may be adversely affected by other economic, business, and/or competitive factors; and (17) other risks and uncertainties identified in the Registration Statement /Proxy Statement relating to the Transaction, including those under “Risk Factors” therein, and in other filings with the SEC made by Delwinds or the Company. Delwinds and the Company caution that the foregoing list of factors is not exclusive, and caution readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. Readers are referred to the most recent reports filed with the SEC by Delwinds. None of Delwinds or the Company undertakes or accepts any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based, subject to applicable law.
