FOXO TECHNOLOGIES, INC. ANNOUNCES EXECUTION OF A NON-BINDING ACQUISITION AGREEMENT FOR TWO ASSISTED-LIVING FACILITIES IN FLORIDA FOR A TOTAL CONSIDERATION OF \$60 MILLION

MINNEAPOLIS, MN, February 24, 2025 (GLOBE NEWSWIRE) — **FOXO Technologies Inc. (NYSE American: FOXO)** (the “Company or FOXO”), announces that it has executed a non-binding acquisition agreement for two assisted living facilities in Florida.

One facility has 129 units, and the second facility has 137 units. The purchase price for each facility is expected to be \$30 million, a portion of which is milestone-based. The parties aim to complete definitive agreements within 60 days. Closing is expected to occur between 60 and 120 days after completion of definitive agreements and is subject to a number of closing conditions, including satisfactory due diligence and financing.

“We are delighted to have executed this non-binding agreement for these strategic acquisitions,” said Seamus Lagan, Chief Executive Officer of FOXO. “While we cannot confirm that due diligence will have a successful outcome or that we can successfully secure the capital for a new series of preferred stock or list this preferred stock as is being considered as a funding mechanism to complete these acquisitions, we are optimistic that we can complete these acquisitions as planned. We like the recurring revenue and cash flow model in this sector and are confident that diversifying our current services offerings in the health care sector will create significant value and opportunity for our shareholders. The Company has structured the acquisitions with milestone payments related to increased revenues at the facilities and believes these acquisitions will create a viable acquisition model for the Company to use to pursue additional, added value acquisitions for FOXO in the future.”
