**FOXO TECHNOLOGIES INC. ANNOUNCES COMPLETION OF REVERSE STOCK SPLIT**

West Palm Beach—April 29, 2025 - (Globe Newswire) — **FOXO Technologies Inc. (NYSE American: FOXO)** (“FOXO” or the “**Company**”), today announced that effective 4.01pm Eastern Time, on April 28, 2025, (the “Effective Time”), the Company completed a 1 for 10 reverse stock split of its outstanding common stock. The Company’s common stock will open for trading on Tuesday April 29, 2025, on a post-split basis and continue to trade under the symbol FOXO.

As a result of the reverse split, every 10 shares of the Company’s common stock issued and outstanding on the Effective Time will be consolidated into one issued and outstanding share with no change in the nominal par value per share of \$0.0001. No fractional shares will be outstanding following the Reverse Stock Split. Holders of fractional shares will be entitled to receive, in lieu of any fractional share, the number of shares rounded up to the next whole number.

Based on the number of shares outstanding on April 28, 2025, the reverse stock will reduce the number of shares of the Company’s common stock from approximately 38.7 million pre-reverse split shares to approximately 3.87 million post-reverse-split.

All outstanding Preferred shares, stock options, warrants and equity incentive plans, if applicable, immediately prior to the reverse split will be appropriately adjusted by dividing the number of common shares into which the preferred shares, stock options, warrants and equity incentive plans are exercisable or convertible by 10, and multiplying the exercise or conversion price by 10, as a result of the reverse split.

The Company has retained its transfer agent, Continental Stock Transfer & Trust Company (Continental), to act as its exchange agent for the reverse stock split. As necessary, Continental will provide stockholders of record as of the Effective Time, a letter of transmittal providing instructions for the exchange of their stock certificates. Stockholders owning shares via a broker or other nominee will have their positions automatically adjusted to reflect the reverse split, subject to broker’s particular processes, and will not be required to take any action in connection with the reverse split.

The reverse split was approved by the directors of the Company on April 17, 2025, pursuant to a resolution adopted by a majority of the Company’s shareholders on November 29, 2024, at the Company’s Annual Meeting.
